

## Explore your Entrepreneurial Mindset!

Workshop / 2 hours / 10 to 20 participants

### If

you think that now is the right time to define the future of education,

you think that it is the moment for a change within your school,

you believe that engaging the teachers is key for the success of change,

you believe that personal drive, the ability to take action and to innovate are at the core of any success in education in the 21<sup>st</sup> century,

### Then

our workshop to measure the Entrepreneurial Mindset of teachers and principals is for you!

### During this workshop, participants will:

1. Discover an exclusive and game-changing definition of the entrepreneurial mindset
2. Measure their Entrepreneurial Mindset profile
3. Learn how to transform the Entrepreneurial Mindset in a powerful driver of innovation
4. Work in groups to experience how the Entrepreneurial Mindset translates into thought and action
5. Ultimately discover and measure how their Entrepreneurial Mindset is shaped to be able to develop the attributes of the mindset they need most

### About us

*Edupreneurial Pivot* is a book, as well as a website ([www.edpivot.com](http://www.edpivot.com)). The aim of *Edupreneurial Pivot* is twofold: giving the world of education a pragmatic and operational solution to transform the education system with the power of the Entrepreneurial Mindset; providing a media platform for the community of Edupreneurial minds that already shape the future of education on a daily basis. *Twenty-One*, the podcast on 21<sup>st</sup>-century education and those who make it, can be found at [www.edpivot.com](http://www.edpivot.com).
